DESCRIPTION

Jeppe Utzon Table #2 by **Jeppe Utzon** for **DK3**.

Inspired by the Danish interpretation of the Shaker style, the Jeppe Utzon Table #2 was designed with four things in mind: simplicity, practicality, respect for raw material and a desire to utilise resources efficiently.

Available in two different kinds of wood - oak or walnut - the inherent beauty of the material's natural structure can be appreciated as it harmoniously melds with the distinctive carpentry joints; this is exemplified by the use of wooden wedges in the table's leg construction, which not only provide stability but also play a prominent role in the table's visual design.

Available in five lengths, from 200cm to 340cm.
