

Baia Chair, 2021

Manufacturer: **DK3**

£1,507

DESCRIPTION

Baia Chair by **Kensaku Oshiro** for **DK3**.

Inspired by Danish furniture design, Baia seamlessly blends Japanese and Danish aesthetics. The wooden backrest's curved C form mimics a bay, offering a warm contrast to the steel frame.

The seat features a carefully balanced frame that combines thin vertical steel tubes with distinct horizontal elements, creating a harmonious and symmetrical look. The solid wood backrest employs steam bending technology, while the hand-sanded frame exudes elegance.

DIMENSIONS

48w x 44d x 46cmh

MATERIALS

Frame made from powder coated steel in three finishes: black, fir green or rosso rubino (red).

Back rest made from steam-bent solid wood in six finishes: oiled oak, white oiled oak, soaped oak, black lacquered oak, smoked oak or walnut.

Upholstery available in:

Fabric group 1: Remix, Hallingdal, Steelcut Trio, Zero

Fabric group 2: Savanne leather

Fabric group 3: Elegance leather
