DESCRIPTION

Royal System Cupboard Unit by Poul Cadovius for DK3.

twentytwentyone are very pleased to exclusively offer the recently relaunched Royal System by Poul Cadovius.

The Royal System was conceived by the Danish designer in 1948. Recognised with Gold Medal at Finland Furniture Fair in 1950 and silver at Milan Triennale, the system set a benchmark for wall storage design. In oak and walnut, the system is produced to exacting standards and offers great flexibility to extend or reconfigure.

Please note; pricing example is for **a cupboard unit only**.

Please view the range below to complete the system. The PDF pricelist of the entire Royal System range is available in Product downloads.

If you require any assistance designing your shelving system please either **contact us** or use the Royal System configurator **here**.
