

Horn Rattle

Manufacturer: **Eguchi Toys**

£20.83

DESCRIPTION

Horn Rattle by Eguchi Toys.

This wooden Horn Rattle from Eguchi Toys is an ideal tool for stimulating and engaging infants' senses as they explore and interact with their environment. Its simple yet elegant design makes it easy for little hands to grasp, while also helping with fine motor skills and hand-eye coordination.

Perfect for babies 6 months and up, this rattle offers a playful and interactive way to learn cause and effect while encouraging development.

DIMENSIONS

4dia x 11cmh

MATERIALS

Made from walnut and beech.
