

Elgar Wall Light

Manufacturer: **Sammode**

£629.17

DESCRIPTION

Elgar Wall Light by **Sammode**.

The Elgar wall light has been designed with internal slats to conceal the light source, this creates a downward light making the Elgar perfect for pathways or corridors, especially if repeated in sequence.

The Elgar is available in two sizes, seven colours and in either a dimmable or non-dimmable version. It is suitable for use in wet environments such as in the bathroom or even to light a pool area.

The Elgar comes complete and fully ready to install with its own cable, light source and a wall outlet.

DIMENSIONS

9dia x 70cmh

MATERIALS

Stainless steel, coextruded PMMA/PO and anodised aluminium.

Light source: High-efficiency removable LED module (CRI>80, 2700K)

IP66.

Dimmable.

Please note: This is a CE-approved product and should only be used in countries that accept and adhere to this standard. If used in other countries, it will be the sole responsibility, risk and liability of the customer.
