DESCRIPTION

Mark Light by **Martino Gamper** for **Established + Sons**.

The Mark Light, designed by Martino Gamper for Established + Sons in 2023, is based on Gamper's original pendant design for the Marksman restaurant in East London. The lamps' distinctive opal glass shade is achieved using traditional Murano mouth-blowing techniques dating back to the Renaissance period. During the blowing process, a coloured glass rim is added by hand, resulting in a unique finish for each pendant.

Available in three different colour combinations, the Mark Light stands out singularly or in a group, offering a warm, diffused glow.
