Ex-display items have some signs of use and we recommend a detailed condition report prior to purchase.

This item is a one-off ex-display item to be sold on a first-order, first-served basis.

The fabric cord set is designed for use with the Ferm Living's Dou Lampshades which are hand-braided from beautiful natural rattan. The Dou series was designed to celebrate the juxtaposition of the organic textural quality of the material, against the more sculptural and geometric shapes of Ferm Living's other products.

The shade offers bright overhead lighting, whilst the small gaps in the weave allow for sparkling glimmers of light to shine through.

Please note: Does not include Dou Lampshade.

Please note: Available for shipping to the EU, EEA and UK only.
