DESCRIPTION

Arum Table Lamp by **Ferm Living**.

The Arum Table Lamp has a unique design, with a black marble base and an organically shaped lampshade. The lamp's off-centre structure is perfectly balanced, with the heavy black marble foot counteracting the light suspension of the lampshade from the curved metal arch.

The lampshade has a matte, off-white interior, which provides soft and evenly distributed light. The lampshade can be adjusted to get the optimal light conditions for any situation.
