

## Dedali Vase

Manufacturer: **Ferm Living**

£125

### DESCRIPTION

**Dedali Vase by Ferm Living.**

The Dedali vase is a beautiful blend of art and function, inspired by the intricate designs of a 'Dédales' or labyrinth. Crafted using a unique 3D-printed ceramic process, this vase features an intricate form created layer by layer.

This organic and sculptural design stands out on its own, while also functioning excellently at holding flowers and branches in a voluminous display.

### DIMENSIONS

17w x 17d x 25cmh

### MATERIALS

Made from off-white stoneware, unglazed on the outside, glazed inside.

Some minor marks and variations may be present due to the nature of the manufacturing process.

To clean, rinse in lukewarm water.
