Ferm Living's Dou Lampshades are hand-braided from beautiful natural rattan. The Dou series was designed to celebrate the juxtaposition of the organic textural quality of the material, against the more sculptural and geometric shapes of Ferm Living's other products.

The shade offers bright overhead lighting, whilst the small gaps in the weave allow for sparkling glimmers of light to shine through.

Please note: Available for shipping to the EU, EEA and UK only.

90dia x 21cmh
