DESCRIPTION

Little Architect Blocks by Ferm Living.

The Ferm Living Little Architect Blocks is the perfect toy to spark your child's creativity and imagination. Made from solid wood and stained in beautifully curated colours, these blocks are inspired by the stunning architecture of our hometown, Copenhagen.

Featuring artistic interpretations of roofs, houses, windows, and even a bridge, your little ones can play with shapes, texture, and composition while building their own fanciful towers and structures. They can even start practising their architectural skills by tracing the shapes onto paper.

Designed for endless fun, the Little Architect Blocks are perfect for the youngest inhabitants of your home. Let your child discover and explore their creativity while having a blast with these fun and educational toys.

Made with love and care, the blocks are crafted from solid wood to ensure durability and quality.

Please note: Available for shipping to the EU, EEA and UK only.
