

Loop cushion, 2017

Manufacturer: **Ferm Living**

£75

DESCRIPTION

Loop cushion by **Ferm Living**.

The Loop cushion uses a special loop weaving technique to combine a raised weave with patches of smoother material. This textural contrast gives the cushion a pleasantly abstract feel.

The cushion is available in two designs, Landscape and Mount. Please see product images for examples.

DIMENSIONS

50w x 50cmh

MATERIALS

Made of 100% pure New Zealand wool, and backed with off-white canvas in 100% cotton, this cushion is a soft and comforting addition to a sofa, chair, or bedspread.

Feather and down filling with brass zip.
