

Meander Spoon

Manufacturer: **Ferm Living**

£12.50

DESCRIPTION

Meander Spoon by Ferm Living.

Ferm Living's Meander Spoon is a charming kitchen tool that takes inspiration from the natural curves of rivers and paths. Its smooth and organic shape is carved from carbonised ash wood with visible graining, adding a subtle yet intriguing pattern to its simple appearance.

The spoon can be used both as a functional tool in the kitchen or as a decorative element on your dining table.

Please note: the spoon is not dishwasher safe.

DIMENSIONS

3.4w x 1.3d x 25cmh

MATERIALS

Made from FSC™-certified ash wood with a carbonised finish.

Care instructions: Hand-wash with dish soap on both sides.

Please note: there may be a variation in wood colour.

The spoon may have a charred scent which will diminish over time.
