

Os Salad Servers

Manufacturer: **Ferm Living**

£49

DESCRIPTION

Os Salad Servers by **Ferm Living**.

Aptly named "Os", the French word for bone, these Ferm Living Salad Servers are inspired by the curvature of the organic matter. Their rounded shape, crafted from FSC™-certified ash wood with a carbonised finish, features smooth bends and carved details, giving them a beautiful creative expression.

The set can be used both as a functional tool in the kitchen and as a decorative element on your dining table.

Please note: the servers are not dishwasher safe.

DIMENSIONS

9w x 23d x 2.4cmh

MATERIALS

Made from FSC™-certified ash wood with a carbonised finish.

Care instructions: Hand-wash with dish soap on both sides.

Please note: there may be a variation in wood colour.
