Kelvin LED table lamp by A Citterio T Nguyen for Flos.

Ex-display item reduced by 30%

£380 -30% now £266

Ex-display items have some signs of use and we recommend a detailed condition report prior to purchase.

This item is a one-off ex-display item to be sold on a first-order, first-served basis.

Designed by Antonio Citterio for Flos, the Kelvin LED Table Lamp has been designed to enhance its environment with its sleek design and functional features. Minimalist in aesthetic, the contemporary light can be adjusted at both the body and the lamp head, allowing the light direction to be customised to suit the user.

Its innovative design includes useful features, such as the on/off switch being activated by simply tapping the lamp head twice.
