DESCRIPTION

Taccia Tble Lamp by Achille and Pier Giacomo Castiglioni for Flos.

Taccia is a classic of Italian lighting design by Achille and Pier Giacomo Castiglioni. Designed in 1958, Taccia's signature dramatic diffuser was originally made of transparent plastic but in 1962 Flos produced a more heat-resistant version in blown glass.

The light may be used as a table or floor light, with the moveable diffuser set on a columnar base.

Supplied with 2.2m cable with combined on/off and dimmer switch.

Available in small and large sizes.
