

Clessidra Wall, 2011

Designer: **Antonio Citterio**

Manufacturer: **Flos**

£400

DESCRIPTION

Clessidra wall light by Antonio Citterio for Flos.

Designed by Antonio Citterio, the Clessidra Wall Lamp provides diffused light directly and indirectly due to its dual up and down fixtures. The cylindrical body, made of pressofused aluminium, has a minimalist expression that makes it suitable for various interior and exterior settings.

The light is available in a white-painted or chrome-plated indoor version or a dark brown or dark grey painted for the outdoor version.

Bulb (not included): 2 LED 3000K - 600lm - CRI80 - 10W.

DIMENSIONS

7.6w x 24.2cmh

MATERIALS

Available with a 20° or 40° beam angle, and in a choice of white-painted or chrome-plated finish for the indoor version, and dark brown or grey for the outdoor version.

IP55.

Please note: the 20° beam is not available in chrome.
