

## Bellhop Portable Lamp, 2018

Designer: **Barber Osgerby**

Manufacturer: **Flos**

£235

### DESCRIPTION

**Bellhop rechargeable lamp** by **Barber Osgerby** for **Flos**.

Described by designers Barber & Osgerby as 'a modern-day candle', the Bellhop table lamp is a portable, rechargeable light for use in the home or garden.

Made of lightweight injection-moulded polycarbonate, the Bellhop features a highly efficient 84 LED light source that casts a gentle pool of light. The push-button on the base doubles as a four-step dimmer for variable intensity. A battery status indicator is located beneath the base.

The Bellhop is available in seven different colours.

Bulb: Dimmable LED 2.5W 2700K CRI90 (integrated). The lumen for all colours apart from cioko and black is 109lm. Cioko and Black are 151lm.

Battery: 6 hours at peak power, 24 hours at lowest power.

Quickship available for the black, white, grey blue, Indian yellow and brick red finishes only.

## DIMENSIONS

12.5dia x 21cmh

## MATERIALS

The battery is built-in, and it has a USB port for recharging (excluding cioko which has a usb-c port).

Available in seven colours: White, Cioko, Grey, Brick red, Indian yellow and Grey blue, matt black.

IP 20 rating, suitable for indoor dry locations.

USB cable included.

UK plug not included.
