

Tab F Floor Light

Designer: **Barber Osgerby**

Manufacturer: **Flos**

£410

DESCRIPTION

Tab F Floor Light by **Barber Osgerby** for **Flos**.

Designed in 2011, the Tab light refines the floor light to its basic elements, featuring a simple, folded aluminium shade with a ceramic reflector which lends a warm quality to the light issued and prevents glare from the end of the shade.

Barber Osgerby describe the design concept for the Tab lamp as 'a simple folded form, creating a visually pure shade that translates into a desk and floor lamp.'

Tab's adjustable head can be rotated to adjust the direction of the light, either focusing in on a particular area or activity, or angling towards a wall to provide reflected ambient light.

The Tab Floor light is also available as a table lamp: see 'More products in this range' below.

Quickship available in selected finishes.

DIMENSIONS

27.3w x 24d x 110cmh
