DESCRIPTION

Tab T Table Lamp by **Barber Osgerby** for **Flos**.

The Tab light simplifies the essence of a lamp, showcasing a minimalistic folded aluminium shade with a ceramic reflector. This combination introduces a gentle and cosy illumination while effectively reducing glare from the shade's end.

Barber Osgerby conceptualized the design of the Tab lamp as a "simple folded form", resulting in a visually pure shade that seamlessly transitions into both desk and floor lamp variations.

With its adjustable head, Tab allows easy rotation to alter the light direction.
