DESCRIPTION

Glo-Ball basic table lamp by **Jasper Morrison** for **Flos**.

The Glo-Ball family of lighting exemplifies Jasper Morrison's 'super normal' design ethos. Designed to achieve the maximum diffusion of light, the Glo-Ball series features a bulb housed within a hand-blown sphere of etched white opaline glass.

The spherical shade maximises the diffusion of light while minimising the light's profile: the light appears as a flat glowing disc when illuminated and issues a soft and clean white light.

Available in three sizes.
