Glo-Ball C/W Zero light by Jasper Morrison for Flos.

The Glo-Ball family of lighting exemplifies Jasper Morrison's 'super normal' design ethos. Designed to achieve the maximum diffusion of light, the Glo-Ball series features a bulb housed within a hand-blown sphere of etched white opaline glass.

The Glo-Ball C/W Zero light is a diffused ceiling and wall lamp. The diffuser is made with externally acid-etched, hand-blown, flashed opaline glass with a die-cast aluminium threaded ring nut with an alodine plating finish.
