

Glo-Ball Ceiling, 1999

Designer: **Jasper Morrison**

Manufacturer: **Flos**

£440

DESCRIPTION

Glo-Ball ceiling light by **Jasper Morrison** for **Flos**.

The Glo-Ball family of lighting exemplifies Jasper Morrison's 'super normal' design ethos. Designed to achieve the maximum diffusion of light, the Glo-Ball series features a bulb housed within a hand-blown sphere of etched white opaline glass.

The spherical shade maximises the diffusion of light while minimising the light's profile: the light appears as a flat glowing disc when illuminated and issues a soft and clean white light.

Available in two sizes.

DIMENSIONS

C 1: 33dia x 27cmh

C 2: 45dia x 36cmh

MATERIALS

The Glo-ball ceiling mounted lamp consist of a diffuser which is externally acid-etched, hand-blown flashed opaline glass. The grey painted dye cast aluminium base consists of a threaded ring nut which alodine plating finish which provides support to the diffuser. The ceiling fitting is 30% fibreglass reinforced with injection-moulded polyamide.
