

Glo-Ball S, 1998

Designer: **Jasper Morrison**

Manufacturer: **Flos**

£440

DESCRIPTION

Glo-Ball S pendant light by Jasper Morrison for Flos.

The Glo-Ball family of lighting exemplifies Jasper Morrison's 'super normal' design ethos. Designed to achieve the maximum diffusion of light, the Glo-Ball series features a bulb housed within a hand-blown sphere of etched white opaline glass.

Glo-Ball's minimal shade maximises the diffusion of light while minimising the light's profile: the pendant appears as a flat glowing disc when illuminated and issues a soft and clean white light.

Glo-Ball pendant lights may be used individually but are equally suited to being grouped in clusters.

The Glo-Ball family includes a range of floor lamps, wall lights and table lights and a mini version of the pendant light; see 'More products in this range below'.

Available in two sizes, both with a 370cm cable.

DIMENSIONS

S1/ small: 33dia x 27cmh

S2/ large: 45dia x 36cmh
