

Glo-Ball Table

Designer: **Jasper Morrison**

Manufacturer: **Flos**

£610

DESCRIPTION

Glo-Ball Table Lamp by **Jasper Morrison** for **Flos**.

The Glo-Ball family of lighting exemplifies Jasper Morrison's 'super normal' design ethos.

Designed in 1998, the spherical shade maximises diffusion while minimising the light's profile: the shade appears as a flat glowing disc when illuminated and issues a soft and clean white light.

The Glo-Ball family includes a range of pendant, wall/ceiling and floor lights; see 'Product Range' below.

The Glo-Ball Table is dimmable and available in two sizes.

DIMENSIONS

33dia x 60cmh

Base diameter: 24cm

MATERIALS

Designed to achieve the maximum diffusion of light, the Glo-Ball series features a bulb housed within a hand-blown sphere of etched white opaline glass.

Table lamp with matt silver or matt black base and hand-blown, opal white glass shade.

Recommended light source (not included):

1 x max 150W 220 - 240V LED 15W E27 dimmable.

IP20.

Please note: This is a CE-approved product and should only be used in countries that accept and adhere to this standard. If used in other countries, it will be the sole responsibility, risk and liability of the customer.
