

Oplight Wall, 2021

Designer: **Jasper Morrison**

Manufacturer: **Flos**

£290

DESCRIPTION

Oplight wall light by **Jasper Morrison** for **Flos**.

The Oplight wall light is the latest addition to the collection of products Jasper Morrison has created for Flos. With a unique shaped head, the lamp is sure to be noticed. The Oplight is great for indirect lighting, creating soft ambient illumination in any indoor space.

The indirect wall lamp features a die-cast aluminium body with a powder-coated finish and injection-moulded polycarbonate semi-transparent diffuser. A lamp perfect for long term use, the design features no glue and can therefore be separated, replaced individually, and recycled separately.

DIMENSIONS

W1: 22.2dia x 9.5cmh
