The May Day Anniversary light is the special edition light released in the honor of the 20th Anniversary of the original Mayday light designed by Konstantin Grcic. The “Compasso d’Oro” award-winning light is a versatile, contemporary table lamp that brilliantly blends utility and sophistication. Suitable for various uses and locations, the light can be placed on a table, set on the floor, or suspended with the help of the handle, which also acts as a cord reel.

Only 2020 pieces of the Anniversary Edition were made with each lamp numbered. The lamp comes inside a special packaging in the shape of a toolbox and bears a sticker with the corresponding number of the lamp.
