### DESCRIPTION

**Skygarden S1** by **Marcel Wanders** for **Flos**.

Designed in 2007, the Skygarden S1 Pendant is a suspension light providing diffused lighting.

Imagine a stunning display blooming above you: Created by Marcel Wanders, the Skygarden S1 is just that. A gracefully hanging hemisphere, the pendant lamp makes a powerful impression with its sheer size. However, it is the inner diffuser in white painted cast plaster that steals the show. Standing beneath it, you will see the intricate design that gives this piece its name.

A house Marcel Wanders once lived in, which featured an old and ornate plaster ceiling that he dubbed his “Skygarden,” inspired this artistic piece. Wishing that he could take this “garden on the ceiling” with him when he moved, Wanders created this pendant lamp so that he could do just that—and then share it with the world.
