DESCRIPTION

Copycat Table Lamp by **Michael Anastassiades** for **Flos**.

Copycat is a graphic table lamp formed from two touching spheres that hold each other in a delicate balance. Michael Anastassiades's designs are notable for their refined sculptural quality and Copycat is no exception.

Anastassiades' philosophy is to produce exceptionally designed objects of permanent value. All pieces are fabricated in carefully sourced small, family-run workshops selected for their unique manufacturing skills and tradition in the use of materials.

The smaller sphere conceals an LED source that directs a beam of light into the larger sphere made of blown glass, thus generating a smooth and uniform light.

A dimmer switch is located on the power cable.

Light source: 1 x 16W COB LED (integrated).

DIMENSIONS

30cm diameter

MATERIALS

Hand-blown opal glass diffuser and aluminium.

The smaller sphere is vailable in electroplated 24 karat gold.

IP20.
