## DESCRIPTION

**IC S1 Pendant Light** by **Michael Anastassiades** for **Flos**.

Part of the IC range, the collection designed in 2014, includes table lights, wall lights, floor lights, ceiling pendants and ceiling mounted lights.

The inspiration behind this collection comes from an online video clip of a contact juggler. He was spinning a set of spheres, moving them around. Michael Anastassiades has captured the moment when the spinning balls look perfectly still at the edge of his fingers: the blown glass opal diffuser balances perfectly on the edge of a rod.
