DESCRIPTION

IC T1 low by **Michael Anastassiades** for **Flos**.

The IC T1 Low table light is part of the IC collection which includes table lights, wall lights, floor lights, ceiling pendant lights and ceiling mounted lights.

The inspiration behind this collection comes from an online video clip of a contact juggler. He was spinning a set of spheres, moving them around. Michael Anastassiades has captured the moment when the spinning balls look perfectly still at the edge of his fingers: the blown glass opal diffuser balances perfectly on the edge of a rod.

Dimmer on the power chord.
