Almendra Linear Pendant, 2022

Designer: **Patricia Urquiola**

Manufacturer: **Flos**

£2,875

DESCRIPTION

Almendra Linear pendant lamp by **Patricia Urquiola** for **Flos**.

Almendra pendant is the latest addition to the Flos pendant light collection. Designed by Patricia Urquiola, the suspension lamp is available in linear or organic compositions. The linear version features an aluminium tubular structure and CNC-cut aluminium flaps in a matte or metallic finish.

Integrated with Edge Lighting technology. The light units can be turned by steps of 60° within the structure to change the direction of the light emitted. The suspension light also comes with a dimmer making it versatile, and perfect for dining rooms, living rooms or any modern spaces.

Designed according to the ISCC standards, the light is assembled without any glued components enabling it to be completely separated for future recyclability.

DIMENSIONS

Almendra S3: 37.1w x 128.6cmh, 7.14kg
Almendra S4: 37.1w x 166.5cmh, 10.18kg

MATERIALS

Aluminium tubular structure with CNC cut aluminium terminals in matte or metallized finish.

Matt finish available in four different colours: Off-white, Nude, Bay blue or Lilac.

Ceiling rose available in white or primer finish. Please note that primer rose can be painted after installation with normal water-based finishes (tempera, stucco, water-based paint) to guarantee seamless integration with any interior.
