DESCRIPTION

Almendra Organic Pendant Lamp by **Patricia Urquiola** for **Flos**.

The Almendra Organic Pendant, designed by Patricia Urquiola, is a striking addition to the Flos pendant light collection. Featuring a unique aluminium tubular structure with CNC-cut aluminium flaps, this version stands out with its flowing, organic form and is available in both matte and metallic finishes.

Integrated with Edge Lighting technology, the light units can be rotated in 60° increments, allowing you to direct the light exactly where it's needed. A built-in dimmer offers further flexibility, making it ideal for creating the perfect ambience in dining rooms, living rooms, or any modern space.

Thoughtfully designed with sustainability in mind, the Almendra Organic Pendant is assembled without glue, ensuring it can be fully disassembled for future recyclability. Meeting ISCC standards, it combines cutting-edge design with eco-conscious features.
