DESCRIPTION

Bilboquet Table Lamp by **Philippe Malouin** for **Flos**.

Bilboquet illuminates with a sense of playfulness, drawing inspiration from magnetic ball joints and a 16th-century French ball game of the same name.

A visually uncomplicated yet character-filled table lamp, the light comprises two coloured cylinders linked by a magnetic sphere, which provides a complete range of movement, allowing effortless adjustments to direct light precisely where desired.

The light can be used for various purposes, such as providing task lighting on a desk, casting a gentle glow on a wall, or acting as a reading light.

Available in three versatile colourways: linen, tomato or sage.
