DESCRIPTION

Linen Napkin by **Fog Linen**.

The Linen Napkins come in three handsome patterns: a navy stripe, a checked design, and a natural finish that highlights the napkin's natural texture.

Crafted from Lithuanian linen using traditional flax-weaving techniques, these napkins are durable, softening and becoming more absorbent with each wash.

Durable, robust and tactile, linen develops an appealingly soft and weathered appearance over time. It is naturally resistant to dirt, stains and moths. It does not pill, yet its texture creates a great character.
