DESCRIPTION

Linen Kitchen Cloth by **Fog Linen**.

Fog Linen Work's Kitchen Cloths are crafted from Lithuanian linen using traditional flax-weaving techniques. Linen is durable, becoming softer and more absorbent with each wash, improving over time.

Versatile, the cloth can serve as a tea towel, placemat, moisture remover for leafy greens, or a cover for a basket. It also works well under dishes to catch excess water.

Linen is robust and tactile, developing a soft, weathered appearance over time. It is naturally resistant to dirt, stains and moths, making it ideal for use in the kitchen.
