DESCRIPTION

A Line Shoe Rack 72 by **Herman Studio** for **Form & Refine**.

The A Line Shoe Rack 72 was designed in 2020 out of Herman Studio's desire to create a shelving unit that could store multiple pairs of shoes without occupying too much space.

This shoe rack is made from sustainably sourced oak, with rounded edges that provide a soft and elegant appearance. It has a narrow design, making it ideal for use in entranceways, utility rooms, and smaller spaces.

The unit can accommodate three pairs of shoes on each row and has a spacious top shelf for use as a console table.

DIMENSIONS

72w x 25d x 100cmh

The shoe rack can lean against the wall without mounting, however, it is recommended to mount to the unit to the wall using the included metal brackets.

Packaged in 100% recycled paper.

Suitable for residential and contract use.
