

## A Line Stepstool

Designer: **Herman Studio**

Manufacturer: **Form and Refine**

~~Was £275~~ Now £233

## DESCRIPTION

**A Line Stepstool** by **Herman Studio** for **Form & Refine**.

Designed by Herman Studio for Form & Refine, the A Line Stepstool is a sturdy, versatile piece of furniture that can be utilised as a step stool, side table or additional seating.

The stool is both robust and compact, ideal for small living spaces. The design features an extended lower step that can also be used for storage, as well as a handle beneath the upper step for ease of grip and transportation. The curved details of the steps blend seamlessly with the legs, creating a coherent form.

## DIMENSIONS

38.5w x 38d x 45.5cmh

## MATERIALS

Solid European oak with a natural or white oiled finish.

Timber sourced locally to ensure a minimised carbon footprint, finished with natural water-based oil.

5 year warranty.
