DESCRIPTION

Hand Wash | Columnae by FRAMA.

Enjoy the refreshing and nourishing benefits of the Columnae Hand Wash - a gentle cleansing gel enriched with natural ingredients. The scents of vetiver, black pepper, bitter orange, and tuya bring a musky aroma reminiscent of old books and rich histories. At the same time, delicate floral notes add a touch of elegance to your daily routine.

Infused with aloe vera, thyme oil, shea butter, and extracts from flax, cotton and fig, this hand wash gently cleanses and hydrates the skin. Vitamin E helps protect against environmental toxins, promoting balanced and healthy skin. Apply a few pumps to wet hands, lather, and rinse for a mild and refreshing cleanse.
