

## Eifel Pendant Light

Designer: **Krøyer Sætter Lassen**

Manufacturer: **Frama**

£796

## DESCRIPTION

**Eifel Pendant Light** by **Krøyer Sætter Lassen** for **FRAMA**.

Designed in 2023, Krøyer Sætter Lassen's Eifel Pendant light combines simplicity with refined materials to deliver an understated design that complements a wide range of interiors.

Crafted from a steel construction rod, available in gun metal, stainless steel or cream finishes, the various finishes subtly reflect the light, enhancing the warm gentle glow of the bulb.

The light features astute features such as a stainless steel dimmer switch at the top and bottom, allowing for precise control over the light source.

## DIMENSIONS

103.5w x 4.5d x 8.5cmh

## MATERIALS

Frame made from stainless steel or powder coated steel (gun metal or cream), opal glass LED tube and coated solid brass dimmer.

Bulb included 6W.
