

## Scented Candle | Komorebi

Manufacturer: **Frama**

£60

## DESCRIPTION

**Scented Candle | Komorebi by FRAMA.**

Experience the enchanting aroma of Komorebi, a delicate and evocative scent inspired by the Japanese concept of light filtering through trees. With its soft floral notes and hints of citrus and wood, this candle will transport you to a peaceful and natural space.

Let the gentle flicker of the flame transform light into fragrance, creating an inviting atmosphere in your home.

## DIMENSIONS

170g

## MATERIALS

Key notes: Yuzu, Osmanthus, Jasmine, Cypress.

Glass container with wooden lid.

100% cotton wick.

Vegan and cruelty-free, the candle is made with responsibly sourced vegetable oil wax.

To achieve a long and even burn time, let the candle burn for several hours when first lighting it. Allow it to cool completely before covering it with the wooden lid provided to keep it dust-free. Before each use, trim the wick and remove any excess wax on the candle walls.
