DESCRIPTION

Frame XL Cabinet, Glass doors by Anya Sebton & Eva Lilja Lowenheim for Asplund.

The Frame series, developed over a decade ago, aimed to produce a range of minimalist furniture in neutral colours. The focus was on using natural materials with exceptional attention to detail and perfect proportions. These pieces have a timeless and elegant appeal that has stood the test of time.

The Frame XL cabinet, designed by Anya Sebton and Eva Lilja Lowenheim, is the tallest cupboard in the Frame series. It features two glass doors, four adjustable glass shelves, and leather handles, all in keeping with the minimalist aesthetic of the range.

This contemporary design combines simplicity and functionality and can be personalised to fit any space.

Please note: wall attachment is recommended; distance bracket included. The model comes with glass on three sides (front, left and right side).

DIMENSIONS

80w x 37d x 206cmh

Please see Asplund finishes pdf in 'Product downloads' for more information.

For years, Asplund have been researching the possibilities of a more sustainable water-based lacquer that maintains the durability of an acid-based lacquer.

The Frame series is one of the first ranges that is coated in the new generation of water-based lacquers which has great viscosity, adhesiveness, durability, lightfastness, stain retardant for coffee, alcohol and fats.
