

Francis Mirror

Designer: **Constance Guisset**

Manufacturer: **Petite Friture**

£510

DESCRIPTION

Francis Mirror by **Constance Guisset** for **Petite Friture**.

An elegant wall mirror, with a deep coloured pigmentation, inspired by makeup or paint palettes and antique mirrors. Created by renowned French designer Constance Guisset, the Francis mirror was formed through the experimentation of pigmentation and oxidation.

The vivid digital printing and contemporary style of the Francis mirror, allows the mirror to stand out in classic and contemporary interiors alike. The back of the mirror has a slightly convex shape, allowing it to fall forward when suspended.

Available in an array of sizes and colour options.

DIMENSIONS

Small: 45dia x 5w

Large: 60dia x 5w

Extra-large: 110dia x 6w

MATERIALS

Aluminium mirror with epoxy paint. Available in pink or blue watercolour. Central attach black cord included.

Extra-large mirror is a laminated glass mirror, available in epoxy paint blue-yellow or blue-violet watercolour, with kevlar cord.
