DESCRIPTION

Franco Albini Ottoman by **Franco Albini** for **Sika Design**.

Designed in 1951, Albini's rattan ottoman has become a mainstay of Sika's ICONS collection. Paying the utmost respect to the original designs, Sika has put the rattan designs of Arne Jacobsen, Nanna & Jørgen Ditzel, Viggo Boesen, and R. Wengler back into production.

These significant names in Danish design history are notable for their enduring designs and their experimental use of materials. In their own way, each designer performed their own special alchemy with the base materials of rattan and wicker.

Founded in 1940 by Ankjær Andreasen, Sika Design remains a family run business producing handmade wicker furniture. The company focuses on comfort, quality, and sustainability in all aspects of the design and manufacturing processes.
