

Plan Table, Extendable

Designer: **Barber Osgerby**

Manufacturer: **Fredericia**

£3,420

DESCRIPTION

Plan Table, Extendable by **Barber Osgerby** for **Fredericia**

Discover the Plan Table Extendable - the perfect solution for versatile collaboration spaces, restaurants, and homes. Unlike traditional extension tables with complex mechanisms, the Plan Table simplifies the process to enhance its longevity. The innovative Fredericia extension mechanism operates without wires and can be handled effortlessly by a single person.

With the ability to add two extra seats or extra space, the table designed in 2022, provides convenience without sacrificing functionality. When not in use, the additional table tucks away neatly under the main table, saving valuable space.

Also available as a fixed-size table or in smaller sizes in various configurations to suit your unique needs and space requirements. Please view the complete Plan Table collection in the Product Range below.

DIMENSIONS

200/260w x 100d x 73cmh

MATERIALS

Extendable table with tabletop in nano laminate or solid wood and with space for storing an additional board. Additional plate is the same material as table top. Base in tubular steel, brushed or powder coated.

Mounted with plastic glides. No felt glides available.

All wood from Fredericia comes from responsibly managed FSC forests, where no more trees are felled than the forest can reproduce naturally.
