DESCRIPTION

Lynderup Chair by **Børge Mogensen** for **Fredericia**.

Designed in 1954 by the Danish designer, Børge Mogensen, the Lynderup Chair is a timeless seat, lightweight in appearance and weight. Named after the designer's beloved farm, the chair which only existed in Mogensen's sketchbook became a reality this year.

Meticulously crafted, the chair has a metal base, available in black lacquer or chrome, and a seat and a back constructed from FSC certified materials which can be upholstered in various fabrics.

The seat can be neatly stacked, making it ideal for multi-purpose use in smaller and larger settings.

DIMENSIONS

54w x 50d x 47/77cmh

MATERIALS

The Lynderup chair is available in two metal frame finishes, black lacquered or chrome.

The seat is available in four wood finishes: deep red ash, black ash, lacquered oak and lacquered walnut.
All wood from Fredericia comes from responsibly managed FSC forests, where no more trees are felled than the forest can reproduce naturally.

Upholstered in a range of fabrics and leathers.

All Fredericia leather comes from well-known, certified sources, where professionals are trained to respect animals.

Please see the PDFs in the product downloads section to view all available upholstery options.
