

Søborg Steel Base Chair

Designer: **Børge Mogensen**

Manufacturer: **Fredericia**

£616

DESCRIPTION

Søborg steel base chair by **Børge Mogensen** for **Fredericia**.

The Søborg chair was designed by Børge Mogensen in 1950 as a functional and elegant plywood shell chair that could be efficiently produced using contemporary machining technology.

In 1952 Mogensen adapted his design to include a steel frame option, bringing his characteristic finesse and craft to a material he did not commonly employ.

The Søborg chair is also available with an upholstered seat, or upholstered seat and back in the 'Product range' section below. Also available with wooden frame [here](#).

Optional felt glides are available.

DIMENSIONS

51w x 50.5d x 44/78cmh

MATERIALS

Available with a steel frame in black or chrome, and seat and back in lacquered oak, oiled oak, black lacquered oak, or lacquered walnut.

All wood from Fredericia comes from responsibly managed FSC forests, where no more trees are felled than the forest can reproduce naturally.
