£1,291

### DESCRIPTION

**Niveau Coffee Table** by **Cecilie Manz** for **Fredericia**.

Introducing Niveau, a collection of exquisite coffee tables crafted with refined marble and captivating wood, harmoniously blending the minimalistic essence of Scandinavian design with the allure of natural elements. Created by the renowned Danish designer Cecilie Manz, these coffee tables effortlessly complement contemporary living and working environments, epitomizing elegance and versatility.

### DIMENSIONS

45dia x 29cmh

45dia x 42cmh

61dia x 33cmh

110dia x 38cmh

### MATERIALS

Table top in 20mm marble. Base in solid wood done with a hollow construction.

Table top is attached to base with metal thread.

The oiled treated ash finish is available with Tundra Grey marble top. The brown stained ash is available with Black Marquina marble top. Please enquire if you're interested in mixing different base finish and marble top.

Delivered disassembled.

All wood from Fredericia comes from responsibly managed FSC forests, where no more trees are felled than the forest can reproduce naturally.
