

Verve 4 leg chair, 2017

Designer: **Geckeler Michels**

Manufacturer: **Fredericia**

£809

DESCRIPTION

Verve 4 leg chair with tube base by **Geckeler Michels** for **Fredericia**.

Designed by Berlin-based Geckeler Michels studio in 2017, the Verve collection offers stylish, geometrically designed chairs that support and enclose the sitter for greater comfort. Likened to a shelter by the design duo, the shell is formed of a semi-rectangular seat that rolls seamlessly into a rounded circular top.

The shell is fixed to a four-leg, metal tube base for strength and lightness. Base available in chrome or black. Other colours are available with an upcharge. Please enquire for details.

DIMENSIONS
