

## Magazine Table

Designer: **Jens Risom**

Manufacturer: **Fredericia**

£609

## DESCRIPTION

**Magazine table** by **Jens Risom** for **Fredericia**.

First designed in 1949, Jens Risom handsome Magazine table combines softened lines with gentle curves and considered cut-out details to create the ideal place for magazines, books and other reading materials.

Its striking design makes the table suitable for any contemporary environment, whether in a home or public space.

Maintenance:

Wipe the wood with a soft, clean cloth, following the grain direction of the wood. For dirty surfaces use a mild solution of soap flakes or a universal cleaning product and polish with a soft, dry cloth. Never leave wet patches to avoid the lacquer peeling.

## DIMENSIONS

47w x 40.5d x 57.5cmh

## MATERIALS

Made of oak plywood and available in oak lacquered or black lacquered finish.

All wood from Fredericia comes from responsibly managed FSC forests, where no more trees are felled than the forest can reproduce naturally.
